

# Our Learning

Week Beginning 3rd December

Our child led learning focus this week has been:

*Understanding the World*

We have been giving the children opportunities to:

- Discuss different celebrations they have been involved in
- Become familiar with the Christmas story
- Talk about how they celebrate Christmas
- Become familiar with different vocabulary linked to Christmas

Christmas!!!!

The children have been hard at work rehearsing for the Nativity.

They have learned all of the songs and are enjoying singing them. Their dances are looking fantastic, as are their costumes. We are all excited for you to see it!

We are looking forward to lots of Christmassy activities next week!

## In Literacy...

This week we have been learning about adjectives. We identified the adjectives Julia Donaldson used to describe The Gruffalo in the story and used our own words too. We then created our own Woodland creatures and wrote words and sentences to describe them. The children did an amazing job, the adults were so impressed!

## In Maths...

This week in Maths we have been using the Number Blocks episodes as a focus. We have revisited the number work we have covered this term and worked on applying our knowledge and skills into different problem solving situations. The children choose to set up a shop in our deconstructed role play this week too. It has been lovely to see lots of application of the work we covered on money last week.

## In Letters and Sounds...

We been writing captions this week, working on applying all of the sounds we know, as well as the tricky words. The children are working hard on their cursive writing.
