

Our Learning

Week Beginning 14th January

Our child led learning this week will be focussing on....

Expressive Art and Design

The children had different opportunities to:

*Explore the paints, mixing colours for a purpose

*Experiment with different painting tools and begin to think about selecting tools to create a certain effect

Happy New Year!! We hope you all had a lovely Christmas break.

In Literacy...

We have started a new text linked to space. The children have enjoyed writing speech bubbles this week, thinking about what different characters might be saying at different points of the story.

In Maths ...

This week we have had a focus on number recognition. We have been practising reading and writing numbers in lots of different context. We have focussed on teen numbers building up our understanding of basic place value

In Letters and Sounds ...

In their groups, the children have started to be introduced to the phase 3 digraphs at different paces. Each time they learn a new digraph, the flash card will go into their letters and sounds folder in order for them to practise at home.
