

Our Learning

Week Beginning 4th March

Our child led learning this week was linked to forest school

The children had different opportunities to:

- * Make observations about different plants, trees and flowers.
- * Apply their knowledge of staying safe in the forest
- * Share their knowledge of how to look after nature at our school

The children have started PE with our PE coach AJ this week. They had a fantastic first lesson learning the rules of dodgeball and playing a game.

In Literacy...

This week our focus text is Rosie's Walk. We have been getting to know the story by creating actions to go with the words to help us to re-tell it and using props and masks for role play. Rosie even wrote a letter to us asking if we would visit Park Hall farm for her. We are very excited!

In Maths ...

This week we have been exploring 3D shape. The children have learned the names of different 3D shapes and are becoming familiar with the different vocabulary used to describe them. We have been fantastic shape hunters, hunting for 3D shapes all around our school.

In Letters and Sounds ...

The children are busy learning the digraphs from Phase 3. We have revisited some we are less confident with this week, such as ai, ar and igh.
