

Our Learning

Week Beginning 15th April

Our child led learning this week was understanding the world

The children had different opportunities to:

- *Discuss different celebrations they have been involved in and revisit the celebrations we have learned about in school
- *Draw/paint pictures to show how they celebrate different events
- *Explore the celebration of Easter

Welcome back everyone. Summer term already!

The children will still have PE with AJ every Thursday. This half term they will be learning tennis skills.

In Literacy...

This week we have been revisiting key skills after the holidays. Our focus next has been 'We're Going on an Egg Hunt'. The children have been writing about their time off school and writing sentences using prepositions, linked to our Maths lessons and our Easter egg hunt.

In Maths ...

This week we continued to secure our knowledge of teen numbers. We have been working on recognising them, forming them and securing our ability to count carefully. We have also looked at prepositions and explored these through lots of different activities.

In Letters and Sounds ...

The children have moved onto phase 4. In this phase we look at consonant blends. This week we have been reading and writing words with br, cr and dr blends at the beginning.
